

CASE 18-11047

Dear Honorable Judge McNulty,

I just landed from a business trip and I received word that there was a speedy hearing initiated by the plaintiffs that was heard yesterday. I was never handed any paperwork or spoken to any servers in regards to this latest motion and the business trip I just came back from was scheduled months ago and confirmed last month.

I am in the process of securing an attorney over today and tomorrow. Please allow me to respond to this latest motion in a hearing that I or my new legal counsel can attend.

Best Regards,
